

Great Springs Trails Races

In partnership with Tejas Trails, Great Springs Project hosts trail races along scenic routes in vistas, rolling hills, and in natural wildlife habitats featuring the Texas Hill Country. These trails races showcase newly constructed or newly opened trails that highlight the work of GSP and where community members can get outside and recreate.

GSP now offers four annual trail races across the region from San Antonio to Austin:

- October 11, 2025: Purgatory Creek Natural Area, Hays County
- March 7, 2026: Southeast Metropolitan Park, Travis County
- June 6, 2026: Canyon Park at Canyon Lake, Comal County
- September 2026: Natural Bridge Caverns, Comal County
